PRESIDENT'S MESSAGE

Happy New Year Shull!

I hope that all of you had a relaxing break and are now ready to tackle the new year with renewed vision and passion. With every new year, I think back on the old. What mattered the most? What made up the memories that I'll hold onto forever? You know the ones I'm talking about? The memories that when you close your eyes you can picture crystal clear...you may even be able to still smell the scents, hear the sounds or feel the memory as if you just experienced it. I always look into a new year and desire to make more of those kinds of memories. So, cheers to a happy 2018 filled with more unforgettable memories for all!

As we are almost half way through the year, I want to remind each of you that Shull PTA is here to support you and your child's education experience. If you have a question, concern or would like to help in a specific way, please feel free to email us at shullpta1960@gmail.com. You are integral to what we do as a PTA!

Blessings,
Kim Harp

We Care for Character: Work Ethic

The character trait of Work Ethic is our focus for this month's We Care for Character program! How can you encourage work ethic in your homes? Consider family goal setting! It's a great way to build trust and communication within your family unit. Come up with a common goal and set SMART (Specific, Measurable, Attainable, Relevant and Timely) steps to reach the goal together.
