A BIG thank you to Karen Ross (event chair) and all the dad volunteers for making this event possible and successful!

Open House- Thursday, March 29th, Association Meeting at 5:45 PM in the Cafeteria

Make sure to come out and see your kid's classrooms at Open House on Thursday, March 29th! PTA will be holding an association meeting (this is for all parents) at 5:45 PM in the cafeteria. Association meetings are held to keep all parents informed and to conduct business that is necessary for our larger membership to vote. We will be holding our annual election, providing a financial update and answering any questions you might have regarding PTA. Your attendance is greatly appreciated!

Bingo for Books Family Night- Thursday, April 19th, 5-7 PM

This is such a fun event! Come and stop in the cafeteria between 5:00-7:00 PM to play some Bingo with your family on Thursday, April 19th. Every Bingo winner goes home with a new book! Look for the flier that will be coming home after Spring Break for more information.

SAVE THE DATE! Family Fiesta Fundraiser Dinner- Friday, May 4th

This year we're changing it up and hosting our Spring Fundraiser Dinner as a family event....a Family Fiesta to celebrate Cinco de Mayo together while raising funds for our school! Flier will be coming home soon with more details. Tickets go on sale at Open House. If you purchase your tickets that night, you will be entered into our Cinco de Mayo kickoff raffle basket!

We will be raffling off lots of baskets at this event and we need your help in making this possible! Each grade level will be sent a signup genius email this week with the requested donations for various themed baskets. All items can be turned in directly to the front office. Thank you for supporting our school through your generous donations!

PRESIDENT'S MESSAGE

Happy March!
How can the second trimester be coming to an end? I say this every year but... time flies! My daughter is heading into the end of her 4th grade year and it seems as if she was just starting Kindergarten! It was that year that I said to my husband, "I am just going to help in the classroom, I am not going to get involved in PTA"! I felt inferior to "those parents"... thinking I didn't have what it took or didn't have enough time. Well, 5 years later, I'm PTA President and often still feeling inferior to other parents but knowing how much I have gained by trying--I am informed, I have a platform to share my voice, I have learned things about myself and I have made friends along the way. I want to encourage those who may feel the same way. You do have what it takes. Your voice does matter. You are welcomed in whatever capacity that you can give. Stop me when you see me, email us if you have a question or even if you MIGHT just be interested!
Blessings to your families,
Kim Harp

We Care for Character Parent Resources: Citizenship

Citizenship is all about being a good neighbor, cooperating and obeying the rules and laws established for our benefit. This is even more relevant for our kids in the online world in which they find themselves. Here are some great websites to check out on digital safety and preventing cyberbullying- www.commonsensemedia.org and stopbullying.gov. Let's stay informed as parents so we can guide our children in making good choices online!
