We are excited to announce that you can order your yearbook and upload candid pictures online! We would like to encourage all parents to take photos at any and all Shull's school functions and upload those photos. *It's easy, convenient, and secure online transaction with just a few clicks of the mouse!* To order your yearbook or upload pictures, go to:

www.commpe.pictavo.com

Shull online School Code for 2017-2018 is **70058**

If you do not have access to a computer, you may come to the front office or go to any of our Computer Lab nights to place your order.

- Lab: 5:00 – 7:00 p.m. on Thursday nights

To Upload photos:

1. Click on a the UPLOAD PHOTOS link and create an account
2. Select your city and your school's name from the list
3. Click on the UPLOAD link, Select the category, Quick description of photo and Click SAVE

Please make sure that all images are loaded into the correct folders provided. You must select the category to begin loading images into the specified folder. Please do not load every image that you take. It is very helpful if you edit and delete your images before you upload the chosen ones to the website. **Please do not submit any blurry images.**

Please also beware of cell phone pictures, unless you plug your smartphone into your computer and upload the images to your computer before the community. Pictures that are sent via text message WILL NOT be able to be featured in the yearbook due to their low resolution. Pictures pulled from e-mail must be ACTUAL SIZE PHOTOS. You can also download the Pictavo Community App to your iPhone or Android device and upload directly to the app.
