

Shull Elementary School Reading Masters Program

Book Awards (1st thru 5th Grade)

Students need to remember that they should read within their ZPD. To earn an award, a student must average 90% correct for the qualifying books in the category. Books must be read from January of the previous school year through the next school year. Awards may not to be repeated unless a book series has been added. Submission logs can be found on Shull's School Website. Submission logs may be turned into your teacher or dropped off at the front office.
